

BOARD OF EDUCATION GOALS

The Mehlville School District will, at all times, strive for academic excellence. All educators, curriculum, funding, policy and procedure should be examined with the direct benefit of the student; in particular, emphasis on core skills.

The Mehlville Board of Education ensures continuing fiscal responsibility and transparency in the management of public financial resources by continuing to provide an excellent Return on Investment.

The Mehlville Board of Education will maintain and provide adequate facilities to support our curriculum and provide a safe and healthy environment for students and staff.

Technology will be part of the educational strategy to accommodate flexibility of instructional times, curriculum content, learning styles, CSIP, and the goal of academic excellence with an effort to remain revenue neutral and to support the goal of long-term cost reduction.

The Mehlville Board of Education will recruit, attract, develop, provide professional development and retain highly qualified staff to carry out the Mehlville School District's mission, goals and objectives to improve academic excellence.

The Mehlville Board of Education and administration will be vigilant and will foster a sense of community and proactively seek family and community involvement in the education of all students.

The Board will govern the Mehlville School District in an efficient and effective manner providing leadership and representation to benefit the students, staff, and patrons of the District and to serve as an advocate for public education at the local, state and national level.
