Central Office	32	1	0		0	Required through 1/31/22
Total			54	219	273	

NOTES

We update this dashboard on Monday with the previous week's information.

Individual schools with a percentage of positive cases above 1% will be required to mask for the following 10 school days. After 10 school days, if new cases remain above 1% for the prior week, the school will remain masked for 5 more school days. If new cases drop below 1%, masks will be recommended.
